

## Freshman School Supply List Willamette High School 2018-2019

All freshmen in the class of 2022 will be enrolled in either the AVID Elective or the Wolverine 101 course during their 9th grade year. Each of these classes is designed to help incoming freshmen be as successful as possible as they transition to high school and beyond. To that end, a list of supplies has been developed that students will keep organized into a **SINGLE** binder as shown in their class during the second week of school. Students will be required to present binders for regular checking in their study skills classes as well as in health class second semester. If purchasing these supplies puts an undue burden on your family, please let your W101 or AVID teacher know. Assistance will be provided.

Binders will be checked regularly, for a grade, in the AVID elective and the W101 class. This binder will be used daily in each class and should be maintained for organization and efficiency throughout the year. This will be explained, demonstrated and practiced in class.
